Re: Ex Parte Filing
ET Docket No. 00-258; WT Docket No. 02-8

Dear Ms. Dortch:

This is to advise that yesterday, September 8, undersigned counsel for the Aerospace and Flight Test Radio Coordinating Council ("AFTRCC") had a telephone conversation with Jamison Prime and Ted Ryder of the Commission's staff regarding the above-referenced proceedings.

During the course of the conversation the undersigned inquired as to the status of the proceeding. AFTRCC Counsel advised the staff that his client intended to explore further with the American Radio Relay League the possibility of a coordination agreement for the 2390-2395 MHz band.

An original and one copy of this letter are being submitted for inclusion in each of the Dockets.

Respectfully submitted,

/s/ William K. Keane
